

Standard Pricelist
(Prices valid through 12/31/2010)

Software License

Licensed Copy 1 thru 9	€8,000each
Licensed Copy 10 and up	Contact us for a quotation

Software Maintenance and Support

Software maintenance and support is included at no charge for the first twelve months after license purchase. After the first year, the annual price for software maintenance and support is 20% of the license price then in effect.

Software maintenance and support includes all maintenance releases and unlimited telephone support during regular business hours 8:30 AM to 5:00 PM Eastern Time, Monday through Friday, excluding holidays.

Software Training

NBCWaRN is easy to learn and use. The price of the basic 3-day training course offered at our facility in Baltimore, Maryland is €3,000/student. Familiarity with ATP/AEP-45 procedures is a course pre-requisite. The price for the basic course given at your facility is €18,000 plus travel expenses; that price includes two instructors and course materials for up to 24 students. Group discounts and customized training options are also available. Contact us with your special training requirements for a price quotation.

Terms

F.O.B. Destination, shipping and handling not included.

Prices shown are in Euros and do not include any applicable sales or use taxes, duties, or tariffs.

Net 30 to qualified domestic purchasers; prepaid for international purchasers.

MasterCard and VISA accepted.

Return Policy

International sales are final. Domestic purchasers may return software for any reason at purchaser's expense within 30 days of purchase for prompt refund; a €500 restocking fee per license will be applied to the original purchase price less any shipping and handling paid. Software must be completely uninstalled from the licensed computer(s) and all materials returned in as-new condition.
